

Make the Switch: Adobe Acrobat to Xodo PDF Studio

A Smarter, More Affordable Option for PDF Workflows

Xodo PDF Studio provides powerful PDF editing and management tools without the high costs associated with Adobe Acrobat. Reduce your expenses by up to 50% while simplifying your PDF tasks.

Why Choose Xodo PDF Studio?

Cost-Effective Pricing	▪ Save up to 50% compared to Adobe Acrobat ▪ Flexible licensing: monthly, yearly, or one-time perpetual purchase cross-platform capabilities.
Multi-Platform Compatibility	▪ Desktop applications for Windows, macOS, and Linux ▪ Fully usable offline—no internet connection required
Comprehensive PDF Editing	▪ Directly edit text, images, and document layout ▪ Add annotations, comments, bookmarks, and easily complete PDF forms ▪ Built-in OCR converts scanned documents into editable, searchable files
Robust Security Features	▪ Redact confidential information, encrypt documents, and set password protection ▪ Digitally sign and certify your PDFs reliably
Improved Productivity through Automation	▪ Batch process tasks like merging, converting, and optimizing multiple PDFs ▪ Use the Action Wizard to build customized automated workflows
